REGISTRATION

CALIFORNIA REGISTERED ARCHITECT # 32704

ACADEMIC

- 1998 STANFORD UNIVERSITY
Master of Science, Construction Engineering & Management
Department of Civil and Environmental Engineering
- Participation in research on 4D Cad with Professor Martin Fischer
- Charles Pankow Builders Fellowship (\$10,000)
- 1995 UNIVERSITY OF OREGON
Bachelor of Architecture, Department of Architecture
School of Architecture & Allied Arts
- Environmental Studies Minor
- Co-authored 'Master Plan for Blue Mountain Hospital' (Paid Internship)
- Founder President, Campus Chapter Amnesty International
- 1992 DENMARK INTERNATIONAL STUDIES
- Architecture/ Housing Program, Copenhagen, Denmark
-

PROFESSIONAL EXPERIENCE

- 2007-CURRENT RANDY WIEDERHOLD, ARCHITECT (San Francisco, CA)
- Anderson Residence
- Hawaii House Remodel (w/ Rice De Tienne Design)
- Dubai Mall (w/ Rice De Tienne Design)
- Cabo Resort (w/ Rice De Tienne Design)
- 2005 – 2007 SMWM ARCHITECTS, (San Francisco, CA)
Fast paced schematic thru bidding for an integrative medical office and procedures building. Project lead on 3 lots of market rate housing. Developed unit planning concept that allowed all units to have 2 directions of orientation, allowing excellent cross-ventilation and visual connection of both distant views and a landscaped courtyard. Explored prefab construction alternate. All of these projects were designed to be LEED Certified. Ran projects on BIM Software including ArchiCAD and Revit.
- UCSF Osher Center for Integrative Medicine, San Francisco, CA
- Hunters Point Housing, San Francisco, CA
- Coco500 Restaurant, San Francisco, CA
- Sacramento Intermodal Transit Station, CA
- Green Design Building Charrettes
- 2003 – 2005 BAUM THORNLEY ARCHITECTS (San Francisco, CA)

- Project manager for 20,000 case winery in Sonoma County, including wine cave.
 - Lynmar Winery, Sonoma, CA
 - Courtyard Housing, Scottsdale, AZ, Schematic Design.
- 2003 CONSULTING (San Francisco, CA)
 - 145 6th Ave, San Francisco, CA, Development, Design & Reconstruction of a 4-unit apartment building
 - Sundelson Residence, Berkeley, CA (w/ Stanley Saitowitz)
 - Olympic Convention Center, Beijing, China, Competition (w/ Kaplan McLaughlin Diaz)
 - Penn's Landing, Philadelphia, PA, Competition (w/ Kaplan McLaughlin Diaz)
 - CCSF Bond (w/ Kaplan McLaughlin Diaz)
- 2001 – 2002 STANLEY SAITOWITZ/ NATOMA ARCHITECTS (San Francisco, CA)
 Fully responsible for construction administration of a 38-Unit loft building and 'glass' house. Design, Rendering, Specifications, Contract Documents, and Permitting for several high-end residences.
 - 3rd Street Lofts, San Francisco, CA
 - Zakin Residence, St. Helena, CA
 - Sundelson Residence Remodel, Berkeley, CA
 - Yerba Buena Lofts, San Francisco, CA
- 1998 – 2000 KAPLAN MCLAUGHLIN DIAZ, ARCHITECTS (San Francisco, CA)
 As part of the design department, prepared schematic design presentations and renderings for office, hotel, entertainment and high-rise residential projects. Worked at all phases of design and design documentation.
 - Detroit Lions Stadium Project, Detroit, MI, Prepared schematic and design development drawings for a 750,000 SF warehouse renovation and stadium concourse design.
 - Alameda County Office Building, Alameda, CA, Performed space planning, design, code research and contract documents for fast track project.
 - Lawrence Berkeley National Laboratories, Oakland, CA, Supercomputer center.
 - CCSF Bond Proposal (The ballot measure passed.)
- 1996 – 1997 ERNEST MUNCH, ARCHITECTS AND PLANNERS (Portland, OR)
 Computerized a hand-drafting office, introducing AutoCAD with networking.
 Project manager for a multi-million dollar highly crafted traditionally detailed house/ winery project.
- 1996 GAZLEY PLOWMAN ATKINSON, ARCHITECTS (Portland, OR)
 Coordinated drawings and engineers.
- 1996 LEHTO HOME RECONSTRUCTION (Clatskanie, OR)
 Designed and engineered the restoration and restoration of a fire damaged house.
- 1994 RURAL HEALTH DESIGN GROUP (Eugene, OR)
 Co-authored "Master Plan for Blue Mountain Hospital"
- 1994 – 1996 WIEDERHOLD GUEST COTTAGE (Half Moon Bay, CA)
 Designed a 600 square foot house on a wooded slope in the Santa Cruz Mountains. Led a team of three architecture students in its construction.
- 1993 RICHARD BRITZ, ARCHITECT (Eugene, OR)
 Hand drafted as-built drawings. Designed bathroom for concrete dome building.
